**Other ingredients:** Capsule shell (gelatin and water), food glaze, and stearic acid (vegetable source).

† Specially grown, biologically active vegetable culture containing **Phytochemically Bound Trace Elements™**, methyl compounds and/or naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

Contains an ultra-trace amount (<0.001 ppm) of milk constituents which are used in the fermentation of probiotic ingredients.

**This product is gluten free.**

**RECOMMENDATION:** Two (2) capsules each day as a dietary supplement or as otherwise directed by a healthcare professional.

**Caution:** Not recommended for pregnant or lactating women.

### KEEP OUT OF REACH OF CHILDREN

Keep container tightly sealed and store in a cool, dry area away from direct sunlight.

Sealed with an imprinted safety seal for your protection.
