

BioCap Immune™

Bioflavonoid and Antioxidant Immune Support*

IMMUNE HEALTH*

BioCap Immune™ is uniquely formulated to support antioxidative status and a healthy immune response.* Each 4-capsule serving provides 1,000 mg of vitamin C, along with clinically relevant amounts of the bioflavonoids quercetin and resveratrol (as Veri-Te™), 50 mcg (2,000 IU) of vitamin D, 100 mg of vitamin E isomers (as delta- and gamma-tocotrienols), 50 mg of geranylgeraniol (as GG-Gold®), and 20 mg of zinc.

Vitamin C works together with bioflavonoids, such as quercetin, to help support the body's healthy immune response.* Quercetin helps support a healthy inflammatory response and histamine release.* Vitamin D and its metabolites significantly influence immune health and help support the body's immune response.*

BioCap Immune™ also contains tocotrienols, the forms of vitamin E shown to have a higher bioavailability and shown to help promote the body's antioxidative status.* The zinc in this product is a highly bioavailable chelated form to support a healthy immune response.*

Resveratrol is a bioactive plant compound found in grape skin, berries (such as blueberries and raspberries), and peanuts. It has been shown to support antioxidative status, a healthy inflammatory response, and healthy cellular function.* Geranylgeraniol (GG) is a molecule that plays a pivotal role in cellular health, protein synthesis, and antioxidative status.*

Benefits*

- Promotes healthy antioxidative status
- Supports healthy immune function
- Supports a healthy inflammatory response
- Promotes cellular health

Recommended Use

Take 4 capsules per day or as directed by your health-care practitioner.

DeltaGold® and GG-Gold® are registered trademarks of American River Nutrition, LLC and protected by patents 8,586,109 and 7,989,006.

Veri-te™ is a trademark of Evolve or its affiliates in the US and other countries.

Highlights

- Features a blend of synergistic compounds in clinically relevant amounts to support antioxidative status and a healthy immune response*
- Provides 1,000 mg of vitamin C, 50 mcg (2,000 IU) of vitamin D3, 20 mg of zinc, and 500 mg of quercetin to promote healthy immune function*
- 200 mg of resveratrol (as Veri-te™), 100 mg of delta- and gamma-tocotrienols (as DeltaGold®), and 50 mg of geranylgeraniol (as GG-Gold®) to promote immune health, antioxidative status, and help protect cells*
- Zinc is provided in a chelated form for superior nutrient bioavailability
- Gluten-free, dairy-free, and soy-free
- Non-GMO
